and

SOUTH CAROLINA HEALTHCARE DECISIONS DAY

April 16

By signing, I pledge to celebrate National Healthcare Decisions Day (NHDD) and SC Healthcare Decisions Day (SCHDD) in my facility:

The purpose of NHDD and SCHDD is to inspire, educate and empower the public and providers about the importance of advance care planning.

The goal is to encourage patients to express their wishes regarding healthcare and for providers and facilities to respect those wishes, whatever they may be.
